MESSAGE FROM THE EDITOR

Written for the community by the community, *Life on Lantau* is the trusted provider of local information and entertainment for Lantau residents from Mui Wo to Tung Chung, and increasingly for readers throughout Hong Kong.

Focused on the interests, hobbies and concerns of our readers, the magazine is tailored to complement their lifestyle with a special emphasis on the family, business and recreation.

Life on Lantau encapsulates what we love about island life – its diversity. Each month, there are articles dedicated to community issues, the environment, health and lifestyle. Readers are given the opportunity to discover places they want to visit, causes they want to back, and clubs they want to join. They are introduced to leading lights in the community, and kept up to date with all the latest happenings.

Fun, savvy and stylishly presented, *Life on Lantau* has its finger on the pulse of the community, which is why our readers eagerly anticipate its bi-monthly contribution to their lives.

Managing editor
